EWPI – Is our Next Big Pick!

[No Comments](#) 05 April 2010

Ticker Symbol:
EWPI

Just announced after the bell EWPI – Emerging World Pharma Inc.

Is our Next Big Pick!

Since 1996 Global Pharma has been producing top quality USP generics at competitive prices based on a low overhead corporate model. The company choose to provide advanced pharmaceutical solutions to it's customers which directly translates to cost savings when co...mpared to it's competitors.

The company's strengths are:

Skilled and Experienced Teams — State of the art Production Machinery and Technology — Regular Manufacturing Upgrades — Superior Quality — Affordable Prices — In-house Quality Control Lab — Qualified & Dedicated Management and quality control — Ability to fill Bulk Demand orders.

028268

We believe that this company has a lot going for it and we recommend that everyone puts it on their watch list! Last price is .62 per share and technical indicators are pointing up! This week we expect the stock to see continued buying pressure.

Always know the risks involved in trading penny stocks. Always do your due diligence first before investing.

Good luck!

Our Next Big Pick is Metatron Inc. – MRNJ

[2 Comments](#) 03 January 2010

Publicly Traded
Stock Symbol: [MRNJ](#)

Our Next Big Pick is MRNJ – Metatron Inc.

Metatron is a multi-business new media corporation consisting of highly-related fast growing companies that transact through the internet and mobile devices. The company's mission is to harness the power of technology to make people's lives more productive and enjoyable. Metatron's network of partner companies operate in the hottest business sectors including online dating, credit card processing, next-generation relational database development, search engine advertising optimization and Iphone/mobile device applications.

Here is their web site: www.metatroninc.com

Based on technical analysis and a look into the company we believe this company has big upside potential in the near/long term. MRNJ was trading in the .30's a few months ago!

Always do your due diligence before investing. Always know the risks of trading penny stocks.

Good Luck!
